

I am in favor of adoption of the amendment but then I would like to move the bill be held for about a week because I need to have some additional time on the bill and I think Senator Mahoney, if he has time to comment, might want to comment on the bill. He's interested in the bill and he has asked me to hold it for a little while so, let's go ahead and adopt the amendments and then I'd like to bracket the bill. You might want to hear from Senator Mahoney.

SPEAKER: Any further discussion? Those in favor of the committee amendments, say aye. Those opposed say no. The committee amendments are adopted. Senator Schmit.

SENATOR SCHMIT: Mr. President and Members of the Legislature. I move the bill be bracketed for one week.

SPEAKER: Senator Schmit is asking for unanimous consent that the bill be bracketed for one week. Any objections? If not, the bill is bracketed. We will now proceed to L.B. 65.

CLERK: Legislative Bill 65, introduced by Senator Barnett, of the 26th district. (read). There are committee amendments, Mr. President, by Senator Warner's Education Committee.

SPEAKER: Chair recognizes Senator Warner.

SENATOR WARNER: Mr. President, I move adoption of the committee amendments except committee amendment 3 which appears on page 4 and the reason for the exception is that was to be just a typographical error
